

ACUGAU

The image features the letters 'ACUGAU' in a bold, sans-serif font. The letters are arranged in two rows: 'A', 'C', 'U', 'G' in the top row and 'A', 'U' in the bottom row. The colors are: 'A' (green), 'C' (blue), 'U' (red), 'G' (yellow), 'A' (green), and 'U' (red). At the bottom of the image, there is a stylized DNA double helix structure. The top strand is green and the bottom strand is red, with yellow horizontal rungs connecting them. The double helix is positioned centrally under the 'C' and 'G' of the top row.
