

CGG
UAC

A stylized graphic representation of a DNA sequence logo. The top row contains the letters 'C' (blue) and 'G' (yellow). The middle row contains 'U' (red) and 'A' (blue). The bottom row contains 'A' (green) and 'C' (blue). To the right of these letters are two large, red, U-shaped structures that resemble the major and minor grooves of a DNA double helix. The letters are bold and sans-serif, with a slight shadow effect.
